

## DEVCOM AvMC Aviation Corrosion

Attention National Guard Aviation!

You have a new SharePoint site for all your corrosion assistance needs. The name of the site is: "DEVCOM AvMC Aviation Corrosion." With CAC in hand, bookmark the link below or use the "Related Links" in Joint Technical Data Integration (JTDI).

<https://armyeitaas.sharepoint-mil.us/teams/DEVCOMAvMCAviationCorrosion>

This new website is designed to be a central location for all your corrosion assistance needs solely for National Guard Aviation. Upon visiting the site, you will have access to:

1. CPC Policy and Regulations
2. Corrosion technical manuals
3. Corrosion training, guides, and other technical information
4. Access to our Corrosion Assistance Team via our easy request system
  - a. Request technical assistance
  - b. Request on-site corrosion assistance
  - c. Request CPC Monitor training courses
5. Access to our 24-hour hotline

For all corrosion matters contact us; our team is ready to assist. Don't forget that bookmark!
