TB 43-PS-832, **The Preventive Maintenance Monthly Index of Online Articles** is an official publication of the Department of the Army, providing a reference tool for all Soldiers assigned to combat and combat support units to access PS Magazine articles published to its official .mil website. All referenced articles have been reviewed and approved by the agency responsible for the equipment, publication or policy discussed in any referenced article. Application of the information in those articles is encouraged but optional with the user. The use of product or company names does not constitute endorsement of those products, services or companies by the U.S. Army. The use of non-DoD hyperlinks, along with that content, does not constitute endorsement by the DoD or DA. Neither DoD nor DA exercises any editorial control over, and cannot vouch for, content on non-DoD websites.

PS: The Preventive Maintenance Monthly Index of Online Articles (ISSN 0475-2953)
is published monthly by the Department of the Army, Redstone Arsenal, AL 35898.

You are invited to send PS your ideas for improving maintenance procedures, questions on maintenance and supply problems and questions or comments on material published in PS.

3-Apr-23	Leader Interview: CW3 RiveraOrtiz, 10th Support Group	https://www.psmagazine.army.mil/News/Article/3348176/leader-interview-cw3-riveraortiz-10th-support-group/	MSG Half-Mast recently travelled to Torii Station, Okinawa, Japan, to meet with CW3 Jaime L. RiveraOrtiz, the senior maintenance technician for the 10th Support Group (SG). The two discussed the challenges of sustaining equipment in the unique operating environment found on the island, with special emphasis on corrosion. Keep reading to discover how the 10th SG masters those challenges...
4-Apr-23	I Sustain This: March 2023 Nominees	https://www.psmagazine.army.mil/News/Article/3351409/i-sustain-this-march-2023-nominees/	PS Magazine's I Sustain This campaign is designed to recognize civilian sustainers who exemplify the highest standards while maintaining equipment to meet combat readiness requirements and stay in the fight, even under the most arduous of circumstances. For Mar 2023, we had two civilian sustainers nominated for this program. Read on to learn about the nominees and their contributions to Army readiness...
14-Apr-23	Half-Mast Sends: Reminder on Safeguarding Classified Information	https://www.psmagazine.army.mil/News/Article/3362893/half-mast-sends-reminder-on-safeguarding-classified-information/	Personnel with access to classified information are trusted stewards of that information. The responsibility to safeguard classified information is a lifetime requirement for everyone granted a security clearance. Continue reading for this reminder...
28-Apr-23	Half-Mast Sends: Readiness Starts with You	https://www.psmagazine.army.mil/News/Article/3376829/half-mast-sends-readiness-starts-with-you/	This article initially appeared in PS 780 (Nov 17), p. 1. The person best suited to determine your equipment's readiness is you. Remember that the next time you pull PMCS. Fix what you can and report what you can't. Keep reading to learn more of Half-Mast's wisdom on this topic...
